Messrs. [illegible] I. & [illegible]. Chapman,

Philadelphia, Pa.

Gentlemen:-

I am returning you by express to-day all the coins received except the 1805 dime at $12.00, for which I hereby enclose check.

On examination in day time these pieces do not come up to my standard of quality, as I am only buying absolutely perfect pieces when they are in existence and do not think it pays to buy any piece not up to this standard. Of course, I know that this is impossible in many rarities, and in a case of this kind am satisfied to buy the best there is.

Wish you would send me a list of pieces you have, with prices, which come up to my standard. Am very much pleased with the '96 quarter and '39 dollar from the Wilcox sale, and while the other two pieces are all right I would not have bought them if I had the thing to do over again, as I know by waiting I could have gotten much finer specimens of these dates. I was under the impression that I had picked out the evening at your house an 1814 dime, small date, at $10.00, but as it was not in the lot I must have been mistaken.

If you will kindly send me list I will mark the ones in which I am interested and have you send them on to me.

I am,

Yours respectfully,

P.S. - Will send you check within the course of two or three days for $198.50 to cover purchases made in the Wilcox sale.

Gentlemen:-

Enclosed find check for $198.50 for coins purchased at the Wilcox sale.

I am coming over to Philadelphia to-morrow, Wednesday, evening and if convenient to you will call on you on Thursday morning about ten o'clock and see what fine pieces you have to offer. This will obviate the bother of sending me a list and having coins sent on approval. I would call on Wednesday evening, but find that it is impossible to get any idea of fineness under a gas light.

Hoping to see you on Thursday morning, I am

Yours respectfully,

POSTAL TELEGRAPH-CABLE COMPANY.

This Company transmits and delivers the within message subject to the following

TERMS AND CONDITIONS.

To guard against mistakes or delays, the sender of a message should order it REPEATED; that is, telegraphed back to the originating office for comparison. For this, one-half the regular rate is charged in addition. It is agreed between the sender of the message written on the face hereof and the Postal Telegraph-Cable Company that said Company shall not be liable for mistakes or delays in the transmission or delivery, or for non-delivery, of any UNREPEATED message, beyond the amount received for sending the same; nor for mistakes or delays in the transmission or delivery, or for non-delivery, of any REPEATED message beyond fifty times the sum received for sending the same, unless specially insured, nor in any case for delays arising from unavoidable interruption in the working of its lines, or for errors in cipher or obscure messages. And this Company is hereby made the agent of the sender, without liability, to forward any message over the lines of any other Company when necessary to reach its destination.

Correctness in the transmission of messages to any point on the lines of the Company can be INSURED by express in writing, stating agreed amount of risk, and payment of premium thereon, at the following rates, in addition to the usual charge for repeated messages, viz: one per cent. for any distance not exceeding 1,000 miles and two per cent. for any greater distance.

No responsibility regarding messages attaches to this Company until the same are presented and accepted at one of its transmitting offices; and if a message is sent to such office by one of this Company's messengers, he acts for that purpose as the agent of the sender.

Messages will be delivered free within the established free delivery limits of the terminal office. For delivery at a greater distance a special charge will be made to cover the cost of such delivery.

This Company will not be liable for damages or statutory penalties in any case where the claim is not presented in writing within sixty days after the message is filed with the company for transmission.

This is an UNREPEATED Message and is delivered by request of the sender under the conditions named above. Errors can be guarded against only by repeating a message back to the sending station for comparison.

No employee of this Company is authorized to vary the foregoing.

Messrs. S. H. & H. Chapman,

Philadelphia, Pa.

Gentlemen:-

It is not likely that I will be able to go to the Low sale on July 8th, and wish you would use your own judgment in regard to the following pieces, and buy them if you think they will suit me. You know exactly the kind of coins I am collecting, and if they size up to my standard, buy the following pieces if they go at anything within what you call reasonable prices:

No.	218	1796	Half Dime
"	223	1845	Half Dime
"	230	1797	Dime
"	239	1822	Dime
"	245	1845	Dime
"	264	1845	Quarter
"	272	1794	Half Dollar
"	295	1824	Half Dollar
"	302	1836	Half Dollar
"	304	1845	Half Dollar
"	305	1847	Half Dollar
"	348	1845	Dollar
"	349	1847	Dollar

I especially want these proof pieces, and if they size up all right buy them for me even if you have to pay a big price. Will most likely see you before the sale, but give you these bids in case anything happens that I did not get down.

I am,

Yours very truly,
